

Rancho Sahuarita Presents Up with People

Multi-cultural organization of 110 young people to perform in Sahuarita to benefit Sahuarita Carondelet Health Network Facilities

SAHUARITA, AZ (September 4, 2008) – Rancho Sahuarita is proud to present Up with People, the international global education program for young adults. While giving to communities through its community impact activities and shows, the program also addresses the real need to help young adults gain a global perspective, intercultural understanding, knowledge of worldwide issues, leadership skills and a sense of social responsibility.

“This is a once in a lifetime opportunity for the residents of Sahuarita to experience the unique Up with People presentation,” said Robert Sharpe, Managing Partner of Rancho Sahuarita, adding, “We’re thrilled to present this opportunity, and we look forward to seeing the type of overwhelming support for this program that embodies the true spirit of Rancho Sahuarita and the community, and which in turn will benefit all of Sahuarita through the support of Carondelet Health Network Facilities.”

Up with People’s visit to Sahuarita is made possible by generous sponsorships from Rancho Sahuarita, Jim Click Automotive Team, and Carondelet Health Networks.

The cast members will be performing the “Up with People Show”, a community celebration that features original and international songs and uses the universal languages of music and dance to inspire, energize and educate. The event serves to spark people to action by highlighting local non-profit organizations and the unique characteristics of communities they visit.

The “Up with People Show” will be held at the Sahuarita Unified School District Auditorium on Saturday, September 27 at 7:30 pm. Doors open at 7:00 pm. Admission is \$15 for adults and \$8 for students. Family discount package is \$42 for two adults and two students. For more information please call 344-7021. All proceeds benefit Sahuarita Carondelet Health Network Facilities.

Up with People provides young adults an international and intercultural experience that teaches servant leadership and uses the performing arts to deliver messages of hope and goodwill throughout the world.
